

July 30, 2019

Dear Physician and Office Staff:

It has come to our attention that Medicare is currently having issues with processing incoming and outgoing files. The issue will cause a delay in payment. We will alert you to any further developments.

Delay in 835, 277, and 277CA

We are currently experiencing a delay in processing 835s, 277s, and 277CAs for Medicare J8 Part A and Part B, J5 Part B and J5 National lines of business. We are working to resolve as quickly as possible.

Visit the Medicare Learning Network - the place for official CMS Medicare fee-for-service provider educational information.

WPS GHA Medicare eNews is intended for Medicare Part A & Part B providers and their business associates in Indiana, Iowa, Kansas, Michigan, Missouri, and Nebraska, as well as J5 National providers. It is not intended for Medicare beneficiaries or Medicare Part D providers. If you are not a Medicare Part A or Part B provider, or a business associate of a Medicare Part A or Part B provider, you should not subscribe to WPS GHA Medicare eNews.

If you have not been receiving your weekly eNews messages, please check your "junk mail" box to see if your email program filtered the messages to your "junk mail" box in error.
